Reviewer's report

Title: The impact of education programs on smoking prevention: a randomized controlled trial among 11 to 14 year olds in Aceh, Indonesia

Version: 3 Date: 14 January 2013

Reviewer: Xiaozhong Wen

Reviewer's report:

The authors have addressed my comments in a satisfactory way. The manuscript has now been improved substantially.

But careful language edits are needed before publishing.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:

I have no conflicts of interest to claim.
