Reviewer’s report

Title: Marginalisation and cardiovascular disease among rural Sami in Northern Norway: a population-based cross-sectional study

Version: 3 Date: 30 April 2013

Reviewer: Charlotte Jeppesen

Reviewer’s report:

I have no major comments to the revised manuscript, however, punctuation should be carefully revised. Commas and semi colons are missing.
A much better manuscript.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
