Reviewer's Report

General Comment: I feel happy with the way the comments have been addressed by the authors and the reasons given when comments have not been taken on board. I do not have further comments at this stage that would delay publication further.

Major Compulsory Revisions:
None

Minor Essential Revisions:
None

Discretionary Revisions:
None

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests.
