Reviewer's report

Title: Work-related violence and inconsistent condom use with non-paying partners among female sex workers in Adama City, Ethiopia

Version: 2 Date: 11 July 2013

Reviewer: Souradet Shaw

Reviewer's report:

The authors have addressed my suggestions sufficiently.

Discretionary revisions: in the Results section, the authors may want to report the adjusted odds ratios and 95%CI for the combined alcohol and non-alcohol use model (i.e., the non-stratified model).

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
