Reviewer's report

Title: Differential misclassification of confounders in comparative evaluation of hospital care quality: caesarean sections in Italy.

Version: 4  Date: 10 September 2014

Reviewer: Timothy L Lash

Reviewer's report:

The authors have adequately addressed my earlier review. I have no further comments.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

As described in my first review.
