Reviewer’s report

Title: Information and informed consent in infant vaccinations

Version: 2 Date: 20 November 2013

Reviewer: Andrew Pick

Reviewer’s report:

Major compulsory Revisions
1. Revision of data errors in tables 1 and 3.

Minor essential Revisions
1. To cite references 16 & 17 in the main body of the text.

Discretionary revisions
1. Suggested revision of the question posed by the authors.
2. Suggested additional information on randomisation method and steps taken to avoid bias.
3. Suggested additions to the discussion and conclusions.
4. Revision of the article by a native English speaker to improve clarity and avoid ambiguity in some phrases.

Level of interest: An article of limited interest

Quality of written English: Needs some language corrections before being published

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:
