A reference for the sentence: under the heading "Ethics and Participant Recruitment" beginning, 'This covered the same areas as those of the previous environmental scan...’ would be preferable, to direct readers to at least some of the related literature

Reword last sentence under heading, 'Checking and verification of findings...' so that it is grammatically correct.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
