Reviewer's report

Title: Physical fitness and mental health impact of a sport-for-development intervention in a post-conflict setting: randomised controlled trial nested within an observational study of adolescents in Gulu, Uganda

Version: 4 Date: 29 April 2014

Reviewer: Robin Callister

Reviewer's report:

The authors have addressed all the issues raised to my satisfaction. I think the paper has been improved by their careful consideration of the feedback provided.

Level of interest: An article of outstanding merit and interest in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare I have no competing interests.
