Reviewer's report

Title: Physical activity, screen time and obesity status in a nationally representative sample of Maltese youth with international comparisons

Version: 5  Date: 3 June 2014

Reviewer: Leandro Rezende

Reviewer's report:

Minor Essential Revisions
The references 15 and 45 seems to be the same.

Discretionary Revisions
I still suggest the authors to review the 2nd paragraph that remains too long (15 lines long) and presents different concepts and ideas together

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
