Reviewer's report

Title: Cardiovascular risk factors differ between rural and urban Sweden. The 2009 Northern Sweden MONICA cohort

Version: 1 Date: 26 June 2014

Reviewer: Ana Olga Mocumbi

Reviewer's report:

I have no major compulsory revisions to recommend.

Discretionary Revisions
Comment on the possible problems in the conclusion considering that only 70% of the expected number of individuals participated.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.

Declaration of competing interests:

I have no competing interests.
