Reviewer's report

Title: The changing demographic profile of eating disorder behaviors in the community

Version: 2 Date: 16 June 2014

Reviewer: Sarah E Racine

Reviewer's report:

The authors were very responsive to my comments and to the comments of the second reviewer. The revised paper includes additional details and organizational changes that have helped improve the readability of the paper. The paper provides an important contribution to the literature. I have no further comments.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, and I have assessed the statistics in my report.

Declaration of competing interests:

I declare that I have no competing interests.
