Reviewer's report

Title: A retrospective population based trend analysis on hospital admissions for lower respiratory illness among Swedish children from 1987 to 2000

Authors:
- Ove Björ (ove.bjor@lvn.se)
- Lennart Braback (lennart.braback@lvn.se)

Version: 2 Date: 1 Jul 2003

Reviewer: Kai-Hakon Carlsen

Level of interest: not specified

Advice on publication: Other (see below)

I have today been able to go over the paper, and the comments from the reviewers. It seems to me now to be satisfactory.
