Reviewer's report

Title: Khat and alcohol use and risky sex behaviour among in-school and out-of-school youth in Ethiopia.

Version: 2 Date: 16 September 2005

Reviewer: Cheng-Fang F Yen

Reviewer's report:

General
The authors have respond to all questions properly. I suggest the revised manuscript can be accepted for your journal.

-----------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes
