Reviewer's report

Title: Injury morbidity in an urban and a rural area in Tanzania: an epidemiological survey

Version: 3 Date: 23 December 2004

Reviewer: Marilyn Leff

Reviewer's report:

General

I feel that the revised manuscript should be accepted for publication. The authors have adequately addressed the reviewers' comments and questions.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No

Declaration of competing interests:

I declare that I have no competing interests.
