Reviewer's report

Title: Please understand when I cry out in pain: women's accounts of maternity services during labour and delivery in Ghana

Version: 3 Date: 2 November 2005

Reviewer: Pirkko Kouri

Reviewer's report:

General.
As a reviewer I understand that writers use MESH terms, and using labour and delivery is OK. Though in common language those words are used as synonym.

------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

------------------------------------------------------------------------------------------------------------------

What next?: Accept without revision

Level of interest: An article of importance in its field
