Reviewer's report

Title: Compulsory and Recommended Vaccination in Italy: evaluation of coverage and non-compliance between 1998-2002 in Bologna

Version: 2 Date: 23 March 2005

Reviewer: Lawrence E Barker

Reviewer's report:

General

-----------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

None

-----------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

P 1: There is an extra space between ‘background’ and ‘:’.

P 2: The punctuation mark after ‘conclusions’ should be ‘:’, as in the other headings.

P 2: The sentence that begins with ‘Monitoring immunizations’ needs to be indented, if it is intended to be the first sentence of a paragraph. It needs to be brought up to the preceding paragraph if it is not intended to be a paragraph.

P 3. A period is needed after ‘compulsory and recommended vaccinations’.

-----------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

-----------------------------------------------------------------------------------------------------------------

What next?: Accept after minor essential revisions

Level of interest: An article of limited interest
