Title: Pride and Confidence at Work: Potential Predictors of Occupational Health in a Hospital Setting

Version: 3 Date: 4 August 2005

Reviewer: Birgit Aust

Reviewer's report:

General

I accept the author's responses and think that the article should now be published without further revision.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests
