Reviewer’s report

Title: Methodological Aspects of a GIS-based Environmental Health Inspection Program used in the Athens 2004 Olympic and Para Olympic Games

Version: 3 Date: 6 July 2005

Reviewer: Louisa Jorm

Reviewer’s report:

General

My previous comments have been satisfactorily addressed.

--------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

--------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

--------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No
