Reviewer's report:

General
I have examined the corrections made to the paper by authors of the paper "Assessing effects of a media campaign on HIV/AIDS awareness and prevention in Nigeria: results of the VISION Project". I feel that the corrections relating to my comments have been adequately addressed and that the paper should be accepted for publication.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision
