Reviewer's report

Title: Transmission patterns of smallpox: systematic review of natural outbreaks in Europe and North America since World War II

Version: 3 Date: 4 April 2006

Reviewer: Mike Bray

Reviewer's report:

General
The authors have made appropriate changes in response to reviewers’ comments. No further modification is required.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No

Declaration of competing interests:
I declare that I have no competing interests.
