Reviewer's report

Title: Effects of work related factors on breastfeeding behavior of working mothers in Taiwan's Semiconductor Manufacturer: a cross sectional survey

Version: 2 Date: 1 February 2006

Reviewer: Lisa Amir

Reviewer's report:

General

-------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

p7, para 1. Results: second last sentence "The breastfeeding rate ..." change to "The breastfeeding initiation rate was ...". In the next sentence delete "a total of".

p10 Effect of worksite. Last sentence needs to be reworded.

Table 1. Change "breastfeeding" to "breastfeeding initiation".

-------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

-------------------------------------------------------------------------------------------------------------------

What next?: Accept after minor essential revisions

Quality of written English: Needs some language corrections before being published
