Reviewer's report

Title: Blood donors motivation and attitude to non-remunerated blood donorship in Lithuania

Version: 3 Date: 1 June 2006

Reviewer: Joannes El. Chliaoutakis

Reviewer's report:

General
I see they have done a lot of efforts.
Lets see it published!

-----------------------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
