Reviewer’s report

Title: Development and evaluation of a youth mental health community awareness campaign - The Compass Strategy

Version: 2 Date: 5 July 2006

Reviewer: Vanessa Pinfold

Reviewer’s report:

General
The appaer has been adequately revised following comments from reviewers and I recommend it is accepted for publication as an important example of a robust health promotion initiative.

-----------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No
