Reviewer's report

Title: Overweight, physical activity, tobacco and alcohol consumption in a cross-sectional random sample of German adults

Version: 6 Date: 24 August 2006

Reviewer: Anthony Kafatos

Reviewer's report:

General
1. The paper does not need further revisions.

---------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

---------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

---------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No
