Reviewer's report

Title: Support for Immunization Registries Among Parents of Vaccinated and Unvaccinated School-Aged Children: A Case Control Study

Version: 3 Date: 18 September 2006

Reviewer: Mary Patricia Nowalk

Reviewer's report:

General
This is a much clearer paper with revisions. There are some minor corrections (see below).

----------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

----------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Lines 283-286 have grammatical errors, i.e., "was . . . reasons." and "too much resources," Also, please clarify whose reasons are cited in line 285. Thank you.

----------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept after minor essential revisions

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No

Declaration of competing interests:

no competing interests
