Reviewer’s report

Title: Normative data and discriminative properties of short form 36 (sf-36) in Turkish urban population

Version: 3 Date: 24 July 2006

Reviewer: Ute Ellert

Reviewer’s report:

General
After the authors have made the requested corrections, the paper can be published.

------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

------------------------------------------------------------------------------------------------------------------

What next?: Accept without revision
