Reviewer’s report:

General
I find the revised paper acceptable for publications. The authors have properly addressed my concerns and, I believe, also the concerns of the other two reviewers.

--------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

--------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

--------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

--------------------------------------------------------------------------------

What next?: Accept without revision
