Reviewer's report

Title: Cardiovascular Risk Factors among Chamorros

Version: 2 Date: 23 August 2006

Reviewer: Torben Joergensen

Reviewer's report:

General: none

-------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be
reached): none

-------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author
can be trusted to correct): none

-------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore): none

What next?: Reject because too small an advance to publish

Level of interest: An article of insufficient interest to warrant publication in a scientific/medical journal

Quality of written English: Acceptable

Statistical review: No

Declaration of competing interests:
