Reviewer's report

Title: The cost of uncomplicated childhood fevers to Kenyan households: implications for reaching international access

Version: 2 Date: 5 September 2006

Reviewer: Stefan Peterson

Reviewer's report:

General
I am satisfied with the revisions and explanations in relation to my points made and recommend the paper proceeds to publication.

-----------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision
