Reviewer’s report

Title: Solution-focused intervention for sick listed employees with psychological problems or muscle skeletal pain: a randomised controlled trial

Version: 3 Date: 29 March 2005

Reviewer: Willy Eriksen

Reviewer’s report:

General

The revised manuscript is good and can be accepted without further revision.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No
