Reviewer's report

Title: Military history and prostate cancer

Version: 1 Date: 30 January 2006

Reviewer: martha terris

Reviewer's report:

General

-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

Is there financial motivation or penalty in Australia for individuals claiming Vietnam veteran status?

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No
