Reviewer's report

Title: Geography, private costs and uptake of screening for abdominal aortic aneurysm in a remote rural area

Version: 3 Date: 7 March 2006

Reviewer: Jes Lindholt

Reviewer’s report:

General

---------------------------------------------------------------------------------------------------------------
Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
None

---------------------------------------------------------------------------------------------------------------
Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
None

---------------------------------------------------------------------------------------------------------------
Discretionary Revisions (which the author can choose to ignore)
None

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No
