Reviewer’s report:

General
I think the manuscript “Health burden and economic impact of measles related hospitalizations in Italy in 2002-2003” in my opinion could be published in BMC Public Health.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)
