Reviewer's report

Title: Child and adolescent psychiatric patients and later criminality.

Version: 2 Date: 24 May 2007

Reviewer: Helinä Hakko

Reviewer's report:

General

The authors have conducted a major revision. The result is satisfactory and the article is now publishable.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
