Reviewer’s report

Title: Are variations in rates of attending cultural activities associated with population health in the United States?

Version: 1 Date: 13 December 2006

Reviewer: S V Subramanian

Reviewer’s report:

General

-----------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
