Reviewer's report

Title: Incidence and pattern of injuries among residents of a rural area in South western Nigeria: a community-based study

Version: 6 Date: 1 August 2007

Reviewer: Marilyn Leff

Reviewer's report:

General
Thank you for addressing my concerns.

-------------------------------------------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
None

-------------------------------------------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
None

-------------------------------------------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
I declare that I have no competing interests.
