Reviewer's report

**Title:** Socio-demographic and clinical characteristics of re-presentation to an Australian inner-city emergency department: implications for service delivery.

**Version:** 4  **Date:** 21 August 2007

**Reviewer:** Jochanan Benbassat

**Reviewer's report:**

General

-------------------------------------------------------------------------------

**Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)**

-------------------------------------------------------------------------------

**Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)**

p.11, paragraph 2, line 11: "Australian" should read "Australia"
p.12, paragraph 1, line 2: "Patients that...." should read "patients who...."
p.13, paragraph 3: Suggest to delete the first sentence of the discussion.

-------------------------------------------------------------------------------

**Discretionary Revisions (which the author can choose to ignore)**

**What next?:** Accept after minor essential revisions

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** Yes, but I do not feel adequately qualified to assess the statistics.

**Declaration of competing interests:**

I declare that I have no competing interests
