Reviewer's report

**Title:** Health inequities: lower socio-economic conditions and higher incidences of intestinal parasites

**Version:** 4  **Date:** 26 October 2007

**Reviewer:** Shiba Kumar Kumar Rai

**Reviewer's report:**

The paper has been modified as indicated.

However, in the reference, there still inconsistency in the citation of page number (e.g. in some it is written as 129-33 instead of 129-133 whereas in others 470-475, if we follow first system then 470-475 should be written as 470-5).
