Reviewer's report

Title: The presence of a booster phenomenon among contacts of active pulmonary tuberculosis cases: a retrospective cohort.

Version: 2 Date: 23 January 2007

Reviewer: Murli L Mathur

Reviewer's report:

General

-------------------------------------------------------------------------------

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)
NIL

-------------------------------------------------------------------------------

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)
NIL

-------------------------------------------------------------------------------

Discretionary Revisions (which the author can choose to ignore)
At one place "SD" is written which can be avoided.

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
