Reviewer's report

Title: Neighbourhood perceptions of physical activity: a qualitative study.

Version: 1 Date: 10 October 2007

Reviewer: Allen Cheadle

Reviewer’s report:

General

This is a very nice article - well-written clear, interesting findings well-presented. I don’t see a need for any revisions.

Major Compulsory Revisions (that the author must respond to before a decision on publication can be reached)

Minor Essential Revisions (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

Discretionary Revisions (which the author can choose to ignore)

What next?: Accept without revision

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.
