**Reviewer’s report:**

General
The authors remedied the problems I had with their original submission.

-----------------------------------------------

**Major Compulsory Revisions** (that the author must respond to before a decision on publication can be reached)

-----------------------------------------------

**Minor Essential Revisions** (such as missing labels on figures, or the wrong use of a term, which the author can be trusted to correct)

-----------------------------------------------

**Discretionary Revisions** (which the author can choose to ignore)

-----------------------------------------------

**What next?:** Accept without revision

**Level of interest:** An article of importance in its field

**Quality of written English:** Acceptable

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**
I have no competing interests.
