Reviewer's report

Title: Do advertisements for antihypertensive drugs in Australia promote quality prescribing? A cross-sectional study

Version: 2 Date: 29 April 2008

Reviewer: Richelle Cooper

Reviewer's report:

Congratulations on a nicely conducted observational study. The revised manuscript clarifies nicely the questions raised during the original review.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
