Reviewer's report

Title: Doctors' personal health care choices: a cross sectional survey in a mixed public/private setting

Version: 2 Date: 31 March 2008

Reviewer: Olaf G Aasland

Reviewer's report:

The article has improved considerably.

Major Compulsory Revisions: none

Minor Essential Revisions: the issue of self prescribing should be included in the international part of the discussion. The following commentary may be of some help:

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

'I declare that I have no competing interests'
