Reviewer's report

Title: Prevalence and pattern of HIV-related malnutrition among women in sub-Saharan Africa: a meta-analysis of demographic health surveys

Version: 3 Date: 1 May 2008

Reviewer: Andrew Moore

Reviewer's report:

Minor revisions would include some attention to paragraphs - it needs more - and some minor editing to improve tenses.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
