Reviewer’s report

**Title:** The risk of pathogenic intestinal parasite infections in Kisii Municipality, Kenya

**Version:** 3 **Date:** 29 May 2008

**Reviewer:** Jean Kennedy

**Reviewer’s report:**

There are many small typos on page one, for example there should be a space before and after '(disability-adjusted life years)' and only one comma after '(795 million)'.

One DALY represents the loss of one year of equivalent full health.

I would suggest including the checklist

First line of the discussion – space needed at 65.5 %and

**Level of interest:** An article whose findings are important to those with closely related research interests

**Quality of written English:** Needs some language corrections before being published

**Statistical review:** No, the manuscript does not need to be seen by a statistician.

**Declaration of competing interests:**
