Reviewer's report

Title: Women with learning disabilities and access to cervical screening: Retrospective cohort study.

Version: 2 Date: 13 December 2007

Reviewer: Amanda Herbert

Reviewer's report:

All my comments have been addressed in this revised text.

I noticed one small mistake:

The final word of the first paragraph in the discussion should be "inappropriate" (rather than appropriate).

What next?: Accept without revision

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: Yes, but I do not feel adequately qualified to assess the statistics.
