Reviewer's report

Title: Careers in ecstasy use: do ecstasy users cease of their own accord? Implications for intervention development

Version: 3 Date: 25 June 2008

Reviewer: Silvia Martins

Reviewer's report:

The authors have been responsive to the suggestions of both reviewers, the paper has improved a lot and I have no further comments.

Minor Essential revisions
The English usage needs some editing and corrections throughout the paper.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
I declare that I have no competing interests.
