Reviewer's report

Title: Alcohol use among university students in Sweden measured by an electronic screening instrument

Version: 3 Date: 28 May 2009

Reviewer: Martin Stafström

Reviewer's report:

In my point of view the authors have responded to the review in a more than adequate fashion, and to me, the paper is now fit for publication.

Level of interest: An article whose findings are important to those with closely related research interests

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:

I declare that I have no competing interests
