Reviewer’s report

Title: Malaria-related perceptions and practices of women with under-five children in rural Ethiopia

Version: 2 Date: 5 May 2009

Reviewer: Pamela Fergusson

Reviewer’s report:

Thank you for your attention to the issues raised in my previous review. I have no further comments.

Level of interest: An article of importance in its field

Quality of written English: Needs some language corrections before being published

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
