Reviewer’s report

Title: A theoretical framework to describe communication processes during medical disability assessment interviews

Version: 2 Date: 15 September 2009

Reviewer: Peter Donceel

Reviewer’s report:

The response of the authors is adequate and appropriate.
I have no further comments and for me the article can now be published in its present form.

Level of interest: An article of importance in its field

Quality of written English: Acceptable

Statistical review: No, the manuscript does not need to be seen by a statistician.

Declaration of competing interests:
